

CERTIFICATE OF RECOGNITION

Reference Number

MAA-NAC-023

Pursuant to United States Department of Defense policy on recognition of other Airworthiness Authorities and of foreign Military Airworthiness Authorities and subject to the conditions specified below, the Director of Aviation Engineering, on behalf of the Airworthiness Authorities of the of the United States Army, the United States Navy and the United States Air Force, formally recognizes the

Military Aviation Authority of Brazil

as a competent Military Airworthiness Authority (MAA) performing airworthiness inspection, airworthiness certification, production oversight and continuing airworthiness oversight of all aircraft under their airworthiness auspices and of organizations approved under their authority supporting these same functions.

Conditions

1. This recognition is valid while the Brazilian MAA remains compliant with all current laws, regulations, and processes as identified in the Military Authority Requirements Questionset.
2. The Brazilian MAA will comply with the conditions set forth in the accompanying recognition letter.
3. The Brazilian MAA maintains a program of continued surveillance and internal quality monitoring.
4. This recognition of the Brazilian MAA is in effect for four (4) years from the date of this memorandum.
